BFET HOMEZONE SCHOOL

A Citadel of Learning and Leadership

[TO KNOW MORE](#)

Learning Begins With Us

At BFET Homezone School we offer supportive and inspirational environments for young enquiring minds to learn and grow with us. Our passion for learning means we achieve more than outstanding results. We strive to build confident and creative thinkers and aim at delivering an education that is truly relevant to their future.

We are an early learning academy focused on social-emotional development and early literacy and numeracy. Our students walk out with the character and confidence to make their mark in the world, equipped with the knowledge and real-world skills that take them way ahead in the industry they may serve.

Curriculum Overview

BFET Homezone School aims at offering all our learners a broad and balanced curriculum that provides rewarding and stimulating activities to prepare them for the best social and cultural life.

Computer Studies

Hands-on experience with the latest programming languages and technology.

Fine Arts

Giving wings to the creative mind among the learners who'd like to take it up as a career or just a hobby.

National Value Education

National Value Education (NVE) is a curriculum in Nigeria that teaches national values to students at the basic education level.

Science

The study that encourages scientific reasoning, discoveries and inventions.

Mathematics

Understanding the game of numbers and logic to solve real-world problems.

Languages

Learning more modes of communication from different parts of the world especially French.

Our Co-curricular Activities

Athletics

Our learners are passionate about sports and athletics and have the freedom to choose the one they like and wish to take up.

In-house Publications

We have several writers who are encouraged to come up with creations that are regularly published in our in-house magazines.

Performing Arts & Music

With professionals on board, we take pride in training our learners in art forms like music, dance, drama, painting and more.
